Cherry Blossoms & Celebrated Gardens of Japan & South Korea by Small Ship

"Join me on Botanica's cruise of Japan, during which we will glimpse some of horticulture's most beautiful scenes. In Japan, the cherry blossom is the harbinger of spring. Whether in the quiet fishing village of Uwajima; on the island of Miyajima; or within the country's revered

Kenroku-en and Koraku-en gardens, it's heartwarming to see people soaking up the sight of cherry trees in full bloom."

– Simon Rickard, Botanical Guide.
