## TORVILL & DEAN OUR LAST DANCE

See the world's most famous skating superstars  
Torvill & Dean on their final farewell tour

After three decades, legends of the ice Torvill & Dean are set to make their long-awaited return to Australia for a final farewell tour presented by TEG DAINTY.

Torvill & Dean made their retirement announcement in February this year whilst in Sarajevo to commemorate their historic Gold medal winning performance to Ravel's Bolero at the 1984 Winter Olympics – exactly 40 years to the day. While there, they relived the memories four decades on from their iconic heart-stopping performance which had an audience of hundreds of millions of viewers, on the edge of their seats. It became one of the greatest sporting moments of the 20th Century and set a new standard for world-class figure skating.

This will be the very last chance to see the world's most famous skating superstars in action on the ice together - 50 years since they formed their incredible skating partnership. Don't miss this very special event!
