- **Montgomery Reef (Kimberley)** – As the tides recede, this spectacular reef emerges from the sea to reveal a spectacle of cascading waterfalls, vibrant marine life and a dynamic landscape that transforms before your eyes.
- **Alor (Indonesia)** – With its hidden coves and brilliant lagoons, this off-the-radar island is paradise for snorkellers, a marine hotspot of playful dolphins, elegant manta rays and a dazzling array of tropical fish.
- **Bau-Bau (Indonesia)** – Nestled on the enchanting shores of Buton Island, here you'll find unspoiled beaches, a rich cultural heritage and a vibrant tapestry of traditions that showcase the heart of Sulawesi with authentic experiences.
- **Komodo Island (Indonesia)** – The centrepiece of the UNESCO-listed Komodo National Park, this island seems as if it was left behind from the Jurassic Era, playing host to its namesake "dragons" which are the world's largest living species of lizard.
