

# Royal Ascot Racing Tour

12 Days | Departs 13 June 2025

*Join us for the timeless British tradition of Royal Ascot with outstanding racing, sightseeing, fun and memories. Royal Ascot is one of the most famous race meetings in the world with over 300 years of history and is a sporting venue rich in heritage and culture and attended by members of the British Royal Family as they arrive in a horse-drawn carriage.*

Enjoy the thrill of world-class horse racing from your prime vantage point in the Queen Anne Enclosure and Garden Club. This is more than just a holiday—it's a tribute to British heritage, luxury, and unforgettable experiences.

A national institution, Royal Ascot is the centrepiece of the British social calendar. Each year, the tradition, pageantry and fashion combine at one of the most beautiful settings in the country and the fashion holds no bounds.

There are few sporting events that can match the rich history of racing at Ascot. Over 300,000 visitors attend the event over the 5 day racing carnival. The quality of the racing at Royal Ascot is simply outstanding, with nearly £4 million in prize money on offer and a total of eighteen 'Group' races over the five days.

At least one group race is run every day of the carnival. The Kings Stand Stakes on the first day and the Golden Jubilee Stakes is run on the last day. Australian horses have been successful in these events in the past and no doubt they will have a strong representation in these events again in 2025.

## The Queen Anne Enclosure

Watch the world's most famous race meeting from Royal Ascot's premier public enclosure, the Queen Anne. In this Upmarket venue the Royal Ascot dress code is required. From the Queen Anne Enclosure you can watch the Royal Procession and the racing action from the lawns in front of the Grandstand. The Pre-Parade Ring and track are both within a short distance. There are a variety of places to eat, drink and bet- from the bookmakers in the betting ring to the tote pool and betting shops in the main Grandstand.

## The Garden Club

Savour the elegant surroundings of the Garden Club, an exclusive space for those looking to socialise away from the hustle and bustle of the Queen Anne Enclosure while still being able to venture out and enjoy all it has to offer. Guests can unwind and celebrate in style at his private lawned area adjacent to the home straight, enjoying outstanding views of the Royal Procession journeying up the Straight Mile and the world's best horses battling for Royal Ascot glory over the final furlong. This package includes access to a private trackside bar and betting facility accompanied by a simple lunch.
