Today we join in the festivities of Bounty Day which celebrates the anniversary of the arrival of the Pitcairn Islanders. 2025 is the 200th Anniversary of the second convict settlement on Norfolk Island. The Pitcairn Islanders were the descendants of the infamous English sailors of mutiny on the Bounty fame and the Tahitian women who, under their leader Fletcher Christian began a new life on isolated Pitcairn Island. After outgrowing tiny Pitcairn, Queen Victoria gave Norfolk Island to the 8 island families, 194 islanders arrived on the Morayshire in 1856. The celebrations are held in the World Heritage area of Kingston which includes an re-enactment, parade, wreath laying, and singing of hymns. After the celebrations, we enjoy a private farm picnic of local specialties. The rest of the day and evening are at leisure to explore the island.

Day 4: Tuesday 10 June

Norfolk Island (B/D)

This morning we learn about the captivating stories of Norfolk Island's exceptional women who have played a pivotal role and helped shape its history. We trace the remarkable journeys of Olivia Gascoigne, who faced an imminent death sentence, Aunt Selina Buffet, a woman of enduring influence with an award bearing her name, Marie Bailey, a key figure in Norfolk Island's tourism industry, and Colleen McCullough, celebrated for her literary accomplishments and fervent advocacy for Norfolk Island. Walk in the footsteps of these extraordinary women who have triumphed over adversity and significantly shaped the beloved Norfolk community. Tonight, we indulge in a hearty BBQ feast featuring steak, sausages, and a variety of sides and trimmings. Join us to listen to local guest speakers as they share memorabilia, stories, and fascinating insights into the Island's history and governance. After dinner, embark on the breathtaking Wonderland by Night tour. Wonderland by Night celebrates the stories of life gone by on Norfolk Island and how the past has shaped

its identity. The setting is 10 acres of magical Norfolk Pines, which are lit up like an enchanted forest. Meander along (or ride in the 'moon buggy') through a gentle winding path with a descendant of the Bounty Mutineers, as they recite poems and light up the dioramas. While sharing entertaining stories. We then return to 'the shed' for a delicious dessert.

Day 5: Wednesday 11 June

Norfolk Island (B/L/D)

This morning we enjoy a Paddock to Plate experience. We visit a market garden that supplies vegetables to the Island and learn about providing seasonal produce. We'll also tour a farm with beef cattle to understand the unique farming practices on Norfolk Island. Next, we'll visit a free-range chicken farm and learn how they supply the Island with farm fresh eggs. Our final stop will be at a local home for a delicious two-course lunch featuring local ingredients. The afternoon is at leisure before a fabulous progressive dinner! We will get to enjoy a 3 course meal (typical of Norfolk Island), progressing to different Norfolk Island family homes. Each home has been carefully selected - and each dinner host has a sensational story to tell. We'll hear all about their family's history and day to day life. It will be a highlight of our trip and a great way to meet the local people, gaining true insight on life on Norfolk Island and its beautiful people.

Norfolk Island (B/Morning Tea/D)

This morning we get a real insight into the lifestyle on Norfolk Island, meet the people and see their industries in action. Norfolk Island has a huge amount of small businesses making different local products that we are able to see - and maybe have a taste of! We will also enjoy morning tea at a beautiful scenic location. Dinner tonight is the famous "Island Fish Fry". We will enjoy a feast of local dishes, salads and homemade coconut bread, alongside mouth-watering fried fish. Our feast overlooks breathtaking coastal scenery as the sun sets - with live music in the background. The dishes include 'Pilhi' (savory banana Slice,) a special sweet potato mash with local herbs called 'Ana', coconut bread and delicious coconut pie and cream for dessert. Our evening is completed by local entertainment from the Baunti Byuutis dancing group, on the exclusive Western Side property 'Orn Dar Cliff'. This will be followed by an evening of Norfolk Island history as we watch the Sound and Light Show. The stillness and the stars are there just as they were, when the original settlers arrived in 1788. However, with the dramatic use of real-life sounds, theatrical lighting and costumed actors, the stillness is broken as we are taken through the horrifying decades of Norfolk Island's convict era.
