WITNESS THE SPECTACULAR TRANSFORMATION OF THE OUTBACK

Join Zeppelin Travel for an unforgettable weekend exploring the raw beauty and character of Australia's iconic outback and coastal towns—Port Lincoln, Coober Pedy and Birdsville. The main highlight of this tour is a rare opportunity to witness Lake Eyre in flood—shaping up to be among one of the highest since 1974—a breathtaking spectacle where normally dry salt flats are transformed into a shimmering inland sea teeming with life and colour.

Travel in comfort aboard our exclusive private charter aircraft, designed for optimal viewing. This fully escorted tour ensures a seamless and enriching Outback adventure—offering front-row seats to one of Australia's most elusive natural wonders.

Travel by private charter flights

Spend the weekend travelling in comfort and style aboard our very own private aircraft. We will be using an ATR 72, offering fantastic aerial views and photo opportunities, and avoiding long road transfers.
