You might not have heard of Hapag-Lloyd Cruises before – but they're one of Europe's leading luxury and expedition cruise lines. Their fleet of just five small ships (no more than 500 guests on their ocean ships and 230 on their expedition ships) explore every corner of the globe.

They've launched their new World. Wide. Wonderful. campaign, celebrating journeys that reach beyond the ordinary – from Antarctica and the Amazon to Japan, Greenland, the South Seas and more.
