A DAY ON SAFARI

AS THE SUN RISES

The thrill of seeing Africa's wildlife up close will have you bounding out of bed. Settle in with a cup of tea or coffee as you watch the sun rise over the misty savanna. The animals are just beginning to wake, so it's the perfect time to head out and observe them in action.

YOUR FIRST GAME DRIVE FOR THE DAY

Excitement builds as you climb aboard your 4WD vehicle. Your game driver will lead you through a range of habitats, from tangles of grassy bushland, to tranquil rivers and acacia-rich plains. Follow paw prints and animal calls in search of the legendary Big Five – the lion, leopard, black rhinoceros, elephant, and African buffalo – plus more.

TIME FOR A BREAK

Return to your lodge and indulge in a safari breakfast buffet with all the trimmings, before a relaxing morning enjoying the amenities of your accommodation. Take a dip in the pool, melt into a sun lounger with a good book or look out for wildlife like giraffes, elephants and zebras that may wander near the lodge's surrounds.

FOOD, GLORIOUS FOOD

Lunch is served followed by some more free time. You may be in the middle of the African bush, but there's certainly no shortage of culinary wonders. And there's always time for some refreshments in preparation for your next exhilarating game drive.

THE GAME-SPOTTING FUN CONTINUES

The landscapes come alive just before sunset, and you have a front-row seat to nature at its most magical. Charge along crocodile-filled rivers, then ease into the rhythm of the sweeping plains. Will you lock eyes with a lion, staring you down between the tall strands of grass? Or spy giraffes swaying their lengthy necks back and forth? Raise a glass to your day of wildlife encounters with sundowner drinks as you take in the sunset.

WHEN THE STARS REPLACE THE SUN

After dinner back at your lodge, relax around the campfire with a nightcap. As you gaze up at the clear night sky that glitters with bright stars, you can only imagine what awaits on safari tomorrow.
