Discover the World - Your Way

Expedition cruising with HX is all about experiencing the world in deeper, more meaningful ways — and travelling solo is one of the most rewarding ways to do just that. Each year, around one in five guests choose to sail with HX on their own, embracing the freedom, curiosity and sense of adventure that comes with exploring independently — while still sharing unforgettable moments with like-minded travellers. Below you'll find a selection of 2026 departures with no solo supplement, giving solo travellers the opportunity to enjoy the full expedition experience at exceptional value.
