A SUCCESSFUL ADVENTURE. A NEW CHAPTER IN 2027.

Following the success of our 2026 Birdsville Races VIP Experience, Zeppelin Travel is returning in 2027. Our journey combined privately chartered flights from Brisbane, the colour and excitement of the races, an overnight stay in Coober Pedy and a scenic flight over Kati Thanda-Lake Eyre. It was a memorable outback escape, shared with a wonderful group of travellers.

PRIVATE CHARTER AIR CRUISE

Our group travelled from Brisbane aboard a privately chartered aircraft, sharing an outback adventure from the moment they stepped on board.

BIRDSTVILLE RACES VIP EXPERIENCE

The VIP Pavilion brought together race viewing, lunch, drinks and lively conversation, with time to enjoy the colour and character of race day.

UNIQUE COOBER PEDY

An overnight stay and local sightseeing introduced travellers to the opal mining heritage, underground lifestyle and desert scenery of Coober Pedy.

KATI THANDA- LAKE EYRE

A scenic flight revealed the extraordinary scale and colours of Kati Thanda-Lake Eyre, providing a spectacular perspective on the Australian outback.

LOOKING BACK AT 2026

From gathering beside our charter aircraft to celebrating in the VIP Pavilion, the journey was as much about the people as the places. Race-day atmosphere, outback hospitality and shared experiences made it a trip to remember.
